

MEET THE TEAM | Christina Nugent, *Chief Financial Officer*

"I am continually inspired by the commitment in making a viable difference, the knowhow, and passion of the people at Soriant."

Christina's Expertise...

Christina is co-founder and Chief Financial Officer for Soriant Healthcare, with extensive experience in a wide range of leadership areas. She spearheads the financial and human resources divisions. As a knowledgeable and experienced executive, Christina's emphasis is on maintaining Soriant's competitive edge by attracting top executives and standardizing processes. She focuses on being the catalyst to maximize effectiveness and efficiencies of the team; as well as all aspects of Soriant's financial operations. Christina was a stock and options trader for over 25 years and her background gives a fresh vantage point to running a successful business and healthcare consultancy.

PROFESSIONAL EXPERIENCE:

Prior to her trading career, Christina was influential in advancing Home Depot's store IT operations as a Senior IS Director, having the benefit to see the company go from less than one hundred stores to several hundred stores. After leaving Home Depot she co-founded a multi-facility education company where she was later recruited to work for a subsidiary of Knowledge Universe as a General Manager and later regional Vice President, bringing their innovative practices to Soriant. In addition to her CFO role, Christina is internationally recognized for her speaking and educational skills and manages a series on stock options trading.
