

MEET THE TEAM | Rose M. Miller, *Consultant*

“Healthcare security professionals are champions of change with senior management to ensure a safe environment for patient care. It takes a team to develop comprehensive and sustainable approaches to meet the security challenges of today and posture for the future.”

Rose’s Expertise...

Rose Miller has over 30 years’ experience in security and law enforcement. She is a retired career Army Military Police Colonel. She has substantial experience in asset protection, risk assessment, law enforcement, criminal investigations and police operations. During her career she led large teams, managed budgets and large geographically dispersed facilities, evaluated security processes and planned and implemented sustainable change strategies. She has recent experience as a consultant providing risk assessments and security program development for several large hospital systems.

PROFESSIONAL EXPERIENCE:

Director of Protective Services, MedStar Washington Hospital Center, a 926 bed Adult Level I trauma hospital in Washington, DC. Led an 85-person security staff. Conducted risk assessments and implemented mitigating solutions. Decreased thefts on hospital property by over 15% each year of her tenure.

Military Police Officer, U.S. Army. During her 27-year career, she led military and civilian police in organizations ranging from 45 to 600 personnel. Served throughout the U.S., Germany, South Korea, and Afghanistan. Afghanistan combat veteran where she commanded a Task Force of over 600 personnel and was the Chief of Police for all U.S. Armed Forces. Her organization was responsible for police operations, enemy detention, and intelligence operations. Last assignment was as the Chief of Security for the U.S. Army Materiel Command, an organization of over 55,000 personnel worldwide. She oversaw security at 32 facilities and managed the Critical Infrastructure Risk Management Program.
