

GAIL HOINS
Consultant

“Healthcare is an ever-changing environment. It is critical to be a change agent and always looking for innovative solutions. My entire career has been dedicated to the service industry and providing quality services to those in need.”

Gail is a successful and seasoned leader in support service operations, business development, and strategic planning. She has managed profit and loss budgets as well as non-profit in both union and non-union environments for a large global company. Her responsibilities included contract compliance, year over year growth, management development, innovative solutions, and best practices.

Gail’s leadership promoted an environment of respect, dignity, and innovation as well as strong teamwork through Diversity and Inclusion Initiatives. She has over 35 years of experience in multiple services for both the Healthcare and Education Market.
