

ENVIRONMENTAL SERVICES

Patient and visitor satisfaction begins when people walk through the door of your facility. We'll help your hospital realize its mission to be a cost-efficient, clean and safe facility, while improving productivity and reducing operating costs in supplies, contracts and other areas. From green solutions to regulatory compliance, Soriant partners with your environmental services team to meet your goals for cost reduction and sustainability.

Medicare payments in the future will be based on measures of high quality care and quality performance. Environmental services and cleanliness are key measures of this process. The struggle ahead for hospital facility managers will be to identify processes that drive improvements to cleanliness, while operating within shrinking departmental budgets. Soriant brings the expertise, leading best practices and experience to help you mitigate risks and implement sustainable, high value results amidst these changes.

WORKING TOGETHER, WE ACHIEVE BOTTOM-LINE RESULTS WITH A FOCUS IN THESE AREAS:

- ▶ MAXIMIZING STAFFING PRODUCTIVITY
- ▶ IMPLEMENTING LOWER COST/ ENVIRONMENTALLY CONSCIOUS CLEANING SUPPLIES
- ▶ IMPLEMENTING INDUSTRY BEST PRACTICES IN DISINFECTION, CLEANING, AND FLOOR CARE
- ▶ REDUCING COSTS OF MUNICIPAL & REGULATED MEDICAL WASTE
- ▶ REDUCING NON-CONTRACT EXPENSES
- ▶ RENEGOTIATING SERVICE CONTRACTS
- ▶ MANAGING RFP/RFI PROCESSES FOR MOVING TO NEW SERVICE PROVIDERS
- ▶ ASSESSING DEPARTMENT LEADERSHIP EFFECTIVENESS
- ▶ DEVELOPING DEPARTMENT INFRASTRUCTURES
- ▶ IMPROVING QUALITY, CLEANLINESS, AND SATISFACTION
- ▶ PROVIDING FOR INTERIM MANAGEMENT NEEDS
- ▶ IMPROVING HCAHPS SCORES TO ASSIST IN MAXIMIZING MEDICARE REIMBURSEMENTS

Important technological advancements in disinfection and cleaning processes have been introduced in the last few years. In addition, green solutions to cleaning needs have been identified as both providing a positive environmental impact and financial benefit. Soriant Healthcare will identify those evolutions that will drive improved cleanliness and satisfaction, while working within your available resources.
