

MEET THE TEAM | Larry Tojo, *Consultant*

"It is rewarding to create a seamless partnership with our clients to equip them with the knowledge and tools necessary to operate their organization with maximum efficiency in the interest of providing the best possible care to their patients."

Career Highlights...

As management for Aramark, his focus was on business retention & development and problem-solving. He is dedicated to cost savings and increasing level of service while producing desired results. His ability to communicate with all levels of hospital management has resulted in a superior level of client satisfaction. Larry knows the value of exceptional customer service to all areas of the hospital and its importance to a positive patient experience. Prior to entering the healthcare world, Larry was a successful entrepreneur. With a focus in property partnerships and contracting, he was able to identify problem areas and quickly correct them in the most cost-efficient manner.
